Degenerate condition of cattle in South Kanara.

*323 Q.--Mr.A.B.SHETTY: Will the hon. the Minister for Development be pleased to state--

(a) whether any complaints have been received about the degenerate condition of the cattle in South Kanara;

(b) whether any and if so, what steps have been taken by Govt. for improving their condition and with what result;

(c) whether the practice of reserving Govt. waste in South Kanara as grazing ground has been discontinued; if so, since what date; and

(d) whether any lands reserved as grazing grounds are now being assigned on darkhast; and if so, whether the people object to the assignment of such lands?

A.--(a) No. Govt. are aware, however, that the cattle of the West Coast generally are reported to be very poor.

(b) Breeding bulls have been placed at several centres in the South Kanara district. It is too early yet to say what results these efforts have had on the general condition of the cattle in the district.

(c) & (d) The Govt. are not aware of the existence of any such practice in the district.

Mr. K.R.KARNT:--"With reference to the answer to clauses (c) and (d) may I know whether there is no such practice of reserving Government waste lands as grazing grounds?"

Mr. V.PANDRANG RAO (rose to answer the question):--"The Government are not aware of any such practice".

The hon. the PRESIDENT: - "When a Secretary to Govt. answers a question put to the hon. the Minister, he must preface his remarks by saying that he has been asked by his chief to answer the question. It is only then that he will be entitled to answer a question put to a Minister."

Mr. V.PANDRANG RAO:--"I have not been asked to answer the question, Sir."

Mr. T.ADINARAYANA CHETTIYAR:--"Will that answer then go into the records?"

The hon. the PRESIDENT:--"The answer will be in the record, but it will not be an answer given on behalf of the Government."

Mr. K.R.KARANT:--"My questinn still waits for an answer."

The hon.the PRESIDENT:--"The Hon.Minister is not able to answer."

Mr. K.R.KARANT:--"In view of the fact that grazing grounds set apart during the last settlement have since been included in the reserve, may I ask the hon. Minister to look into the matter and set apart some grounds for grazing?"

The hon. Mr. A. RANGANATHA MUDALIAR:--"I have no objection to pass on what the hon.Member has said to my hon. colleague the Member for Revenue for his consideration."

Mr. K.R. KARANT:--"But the question of grazing grounds comes within the portfolio of the hon. Minister himself."

The hon. the PRESIDENT:--"When the hon. Minister says that he would pass it on to the hon. the Revenue Member, the hon. member may take it that he knows the details of working of the departments better than he."
